Dear Students,

Good day, and welcome to the start of your **Level 06** academic year! 🎓 We hope you are ready and excited for the new semester.

Your **Semester 1 - 2026/2027 First Week Timetable** is now available. Just follow these three quick steps to view your schedule:

1 Find your group

Check the grouping list for your programme:

-  **CS L6 FT Grouping List 2026-27: [CS L6 FT Grouping List](#)**
-  **SE L6 FT Grouping List 2026-27: [SE L6 FT Grouping List](#)**

2 Download the timetable

Open the link below and download the timetable file:

-  **L6 SE CS WEEK 1 TIMETABLE: [L6 SE CS WEEK 1 TIMETABLE](#)**

3 View your group's timetableOpen the **downloaded** file in your web browser and check **the timetable applicable to your group**.

📌 **Good to know:** This same link will always hold the most up-to-date version of the timetable, so you can come back to it anytime you need it.

We wish you a wonderful and successful semester ahead! ✨
